Cost: Free

Registration: Mandatory, email [outreach.yisc@gmail.com](mailto:outreach.yisc@gmail.com) to sign up

Location: Pine Room at the Learning Development Centre

For more info visit [www.yukoninvasives.com](http://www.yukoninvasives.com)

In Yukon, a number of priority **invasive species** have been identified by Yukon Government's Interdepartmental Invasive Species Working Group (ISIWG), which is made up of staff from ENV, EMR, HPW, and CS in partnership with the Yukon Invasive Species Council (YISC). Yukon government employees, contractors, consultants and landscapers are encouraged to **recognize, monitor and/or manage** invasive species as part of their jobs – either formally, or informally.

# Yukon Spotter's Network Training

Presented by the Yukon Invasive Species Council

In Yukon, a number of priority **invasive species** have been identified by Yukon Government's Interdepartmental Invasive Species Working Group (ISIWG), which is made up of staff from ENV, EMR, HPW, and CS in partnership with the Yukon Invasive Species Council (YISC). Yukon government employees, contractors, consultants and landscapers are encouraged to **recognize, monitor and/or manage** invasive species as part of their jobs – either formally, or informally.

Date: **May 27, 2019 2 - 4 pm**

Cost: **Free**

Registration: **mandatory, email**

**outreach.yisc@gmail.com to sign up  
or if you have any questions.**

Location: **Pine Room at the Learning Development  
Centre**

More info can be found: **www.yukoninvasives.com**

This 2-hour workshop will be delivered by a trained botanist and will cover identification of Yukon's top invasive species. By signing up for a spotter's network workshop you are joining a growing number of Yukoners trained in recognizing invasive species as well as reporting them. We need all eyes on the ground!

This workshop has been sponsored by Goldcorp

## YISC AGM

May 29, 2019 6:00 - 7:30 pm

Frank Slim Building, Shipyards Park, Whitehorse

Everybody Welcome
