## LINDA JONES MEMORIAL AWARD

Two awards are presented annually to students in a reclamation related program at a Canadian institution in recognition of excellence in academic studies which advance the theory, knowledge or practice of land reclamation. One award will be for a poster presentation and one for an oral presentation. Each award will be for \$1000 and a one year membership in the CLRA. Please visit the CLRA website for more information: <http://www.clra.ca>.

The deadline for submissions is May 1, 2016.

## DR. EDWARD M. WATKINS AWARD

The award is presented in recognition of major contributions of the nominee to land reclamation, especially through service to foster advances in regulation, reclamation success or development of personnel or students. The efforts for which the individual is nominated do not need to span a major portion of the recipient's career, and may be project focused. A recipient may have made major contributions to CLRA/ACRSD, which has led to the advancement of the association. The recipient may be an individual or agency, institution or company. Please visit the CLRA website for more information: <http://www.clra.ca>.

The deadline for submissions is March 27, 2016.

## NORANDA LAND RECLAMATION AWARD

The award is presented in recognition of outstanding contributions of the nominee in the areas of professional practice, teaching, research and/or regulatory development as they relate to the profession of land reclamation in Canada. Nominees should be widely recognized for their contributions in the field of land reclamation, preferably with a national or international reputation. The contributions of the nominees must span a significant portion of their career. The award will only be presented to an individual person. Please visit the CLRA website for more information: <http://www.clra.ca>.

The deadline for submissions is March 27, 2016.

## **Membership Benefits**

- Membership directory containing contact information for more than 1100 individual and corporate CLRA members involved in land reclamation across Canada;
- Receive Canada Reclamation magazine in the mail two times per year – featuring news, project articles, supplier information and much more information pertaining to land reclamation in Canada and around the world;
- Receive notices, calls for papers and discounted registration fees for National Annual Meetings and Conferences as well as Chapter events;
- Tremendous networking opportunities at National and Chapter events;
- Linkages with other professional land reclamation associations in the UK, USA, Australia and China;
- Members are some of the first to learn about new regulatory initiatives; membership provides access to regulatory workshops and lunch and learns (Chapter specific)
- Access to discounted rates for Chapter lunch and learns and workshops
